

The screenshot displays the IBM Cloud console interface for a resource named 'Cloudant-wr'. The top navigation bar includes the 'Service Details - IBM Cloud' header, a search bar, and the account name 'LAVANYA A's Account'. The main content area features a sidebar with 'Manage', 'Overview', 'Capacity', and 'Docs' tabs, with 'Overview' currently selected. The 'Overview' tab shows deployment details for the 'Cloudant-wr' resource, including the CRN, Location (London), External endpoint, External endpoint (preferred), Authentication methods (IBM Cloud IAM), and Activity Tracker event types. A 'Launch Dashboard' button is located in the top right corner of the main content area.
